## APPLICATION FORM
## Sindhi Directory 2015

Dear Friends,

The Primary aim of the Sindhi Federation of Bangalore is to promote fellowship and Brotherhood amongst its Sindhi Brethren. The Federation periodically brings out a very useful and colourful Directory with the latest addresses and other details. The Directory goes a long way in achieving its purpose by bringing the Sindhi community closer, whereby the information can be used to keep all our members well informed about the Cultural, Social, Religious and incidental activities in our community.

The last directory was released five years back. Now the same needs to be updated and revised. One of the unique features in the edition is the inclusion of the Spouse Photograph, with details and Wedding anniversary date.

Please note : your listing in the Directory is free.
