### **Ideology**

Sindhi High School aims at producing “Sindhians” who are intellectually awakened, physically strong, morally upright and socially conscious citizens.

### **Staff**

The success of the institutions is credited to well qualified, and dedicated staff who are the pillars of strength-intellectually and emotionally

### **VISION**

A learner’s paradise that provides impetus to students to think Learn and act independently and emerge as well rounded individuals.

We value and develop respect for ourselves and all members of the school community.

A reputed institution acting as a launch pad for holistic individuals equipped to take up challenging roles and make significant worthwhile contribution to society.

We promote positive attitudes towards success.

A leading institution imparting quality education to produce thinking individuals.

We strive to provide opportunities for all students to achieve their personal best through quality education.

A prestigious institution which empowers students to successfully transition through unique educational experience.

### **MISSION**

Our mission is to make a positive contribution to the lives of the students and to place within each student a desire to succeed to learn and to develop to his or her fullest potential.

To create socially productive citizens who possess integrity in mind & Spirit.

To create avenues for students to excel in academics & pursue excellence in their individual interests.

To encourage students to exhibit true sportsmanship.

Give rise to students who are active learners, resourceful thinkers, effective Communicators and contribute positively to the society.
